Description

INTERNATIONAL TRADE & TARIFFS. It is a Mexican leader firm focused on international Trade Consulting, Legal and Customs Advisors, made up by specialized consultants with experience in Foreign Trade Consultancy, customs and commercial fields. We also have a Trading Company dedicated to import/export various products, especially in the food sector. ITT is always looking for maximum benefits for its customers, with effective results on its controls, customs management and procedures, having a positive influence on their client's economic and financial base, in time as well as in operative costs. INTERNATIONAL TRADE & TARIFFS headquarters installation facilities are located in Mexico's City Metropolitan area, and have two regional subsidiaries (located in Guadalajara, Jalisco and Saltillo, Coahuila). We are a family owned with 12 employees and around 25 specialized consultants, operating since 1999. Our CEO, has 51 years of experience in these fields, and has been recognized by mexican authorities as one of the mexicans deans in International affairs. We are members of the Pool of Experts of Switzerland Global Enterprise ("OSEC") and we operate as consultants for Foreign Trade Office of Commerce Swiss Embassy and Colombia Embassy as well, in Mexico. Our services: Our mission is to enhance our client's businesses, by providing a range of services related to International Trade, including: Customs Advising; Mexican policies and government developing programs; Mexico's Free Trade Agreements; Import & Export advisory; Legal defense; International Trade disputes; pleading presentation to Customs Authorities; Defense; Auditing; Training; Logistics and International Transportation. Trading Company dedicated to import/export various products. Opportunities for Cooperation: To become strategic partners while providing our services, supporting, protecting and enhancing our client's international trade businesses. We offer being your Trading Company exporting mexican products to Germany or importing german goods in Mexico, introducing your products in Mexico's Market.
